No: 1077 dated 21st November 1902.

Sir,

In reply to your Nos.as per margin, I have the honor to state that on receipt of the petition herewith returned,) to which your No.824 dated 27th October 1902 gave cover, I deputed Inspector Krishnaiengar to hold an enquiry on the spot into the alleged malpractices at the Chandramowlesvara temple at Siddalingapura, and the result is embodied in his report and proceedings, which are herewith submitted in original.

2. It will be seen that there is not a particle of truth in the allegations made in the petition. The temple is on the high road to Seringapatna, and the least irregularity is sure to be known at Head Quarters. A resident Urs the Shekdar and Shanbhog have all de

posed

deposed that nothing out of the common has occurred in the temple aforesaid.

3. It may be remarked en passant that the petitioners are the Kavalgar of the temple and his wife, a sweeper, respectively on ₹3-8-0 and ₹2/ They were reported against as disobedient and inattentive, and as it was stated that the Mysore Taluk Amildar had been present on a particular occasion, I asked that Officer, and on his confirming the Parpatyagar's report, I have suspended the Kavalgar and his wife, the sweeper. This groundless complaint is the result.

4. At the close of the petition under notice, the petitioners have a futile fling at the Manager of the Venkataramanasvami temple attached to that of the Trinesvarasvami at Mysore City. But like the major complaint, there is no truth in the minor one either. The rationale of this part of the petition may be found in the fact that Venkataramanaya, Sheristedar of the Palace Muzroi, and the Manager of the temple, is the father of Venkatadasappa, also employed in the Palace, who is superintending the Chandramowlésvara temple in question. The latter has no Parpatyagar of its own, although it requires one very much, as reported in my letter No.82 dated 1st May 1902, para 5.

I have the honor to be,

Sir,

Your most obedient servant,

Palace Controller.

Regd No. 930
22-11-

To

The Palace Controller
Mysore.

Sir,

I beg to report that I went to the Chandramowlaswara Swamy temple at Siddaling on the 6th, 9th and 16th instants and held an enquiry into the several allegations made in the petition referred to me. After taking the statement of the complainant Nadakere, I took the depositions of the Shirkdar Shanbogue and two other persons who reside in the adjoining village and frequently visit the temple as to the manner in which the temple business is managed They attribute no mistake to the

Archak in the discharge of his duties - About two years ago, Narayana, brother-in-law of the Archak Sivaramasastry came from Srirangapatana and remained with him for a few days - In a theft case brought by a certain woman with whom it is said, Narayana had connection he was convicted and sentenced to imprisonment. It is to this offence that the complainant refers to in para 3 of his petition - The Archak Sivaramasastry was not at all involved in it -

As regards the Padittara amount of Rs 10, the Archak states in his deposition that as there is no separate store house in the temple, the articles purchased are kept in the place where he resides and used daily as specified in the Ihasdik pooja for which no account is usually kept -

Venkatadasappa has the

general supervision of the temple and gives a detailed description of the nature of his work in his report (marked F herewith submitted) and so I need not dwell upon it separately. He has produced no evidence to prove the allegations brought by him against the Archak and in my examination of the existing state of affairs I found nothing to suspect the conduct the Archak, nor the evidence taken discloses any misappropriation of the Padithara amount.

In para 5 of the petition, the complainant refers to Venkatramanaswamy in the Seroonaswamy temple, Fort, Mysore, worshipped by Dasar Venkatramanaiah ~~the~~ father of Venkatadasappa and states that the articles supplied from the Mothikana and Lakshmanmundy Totty as per list (marked H herewith submitted) are not used for the purposes for which they are intended. As this is a

household Gods of Basava Vinayakanna, it is difficult to find out how much is used for the worship of Gods - No check or control seems to have been exercised hitherto over the management of this minor temple -

The depositions taken and marked A, B, C, D, E and G are herewith submitted.

I beg to remain
Sir,
Your most obedient and
humble servant
